

WRARC net script

QST, QST, QST

All stations, this is [YOUR CALL SIGN], net control for Wood River Amateur Radio Club Net.

~

This is a controlled net, please don't transmit unless called by Net Control. Visitors are welcome. Repeater stations are located on Baldy and Galena Summit. Wood River Amateur Radio Club is member supported. Please contact Joe Yelda KF7AE for membership info. Please see the Wood River Amateur Radio Club club website at wrarc.org for more info.

Stations with emergency traffic may break in at any time. Are there any stations with emergency traffic?

~

The Wood River Amateur Radio Club net meets on Mondays at 19:00 hours, Mountain Time. Please remain on frequency until roll call is completed and all traffic is passed.

When checking in, please list your call sign. When acknowledged please reply with your name and location and if you have traffic for the net.

Stations with priority traffic or any mobile stations please check in now.

~

Regular checkins in the sawtooth basin, please check in now.

~

Stations in the Ketchum area, please check in now.

~

Stations in the Hailey/Bellevue area, please check in now.

~

Any other stations or visitors please check in now.

~

[Call Stations with traffic]

~

This is [YOUR CALL SIGN] concluding the Wood River Amateur Radio Club net and returning the frequency to normal use.

Note: This script is a general guideline and may be modified.
